Dear Geneva,

This letter is in regards to the 10/10/13 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards. (You have an ongoing pest/insect problem. I will be looking for some deep cleaning/clutter reduction, and any statements from your ongoing exterminator to indicate progress is being made with this problem.)

☐ 110.5(1)a Numbers for police, fire, ambulance, poison information posted by phone. (You need to post emergency/parent contact phone numbers near your phone. I suggest using the Phone Numbers sheet I shared with you.)

☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone.

☐ 110.5(1)b All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child. (You need to repair and lock your lower kitchen cabinet or move all of your cleaning supplies out of reach of children.)

☐ 110.5(1)e All electrical cords are properly used. This means not found under rugs, over hooks, through door openings, etc. (You need to remove the extension cord going through the front door and being used as a power supply for the enclosed front porch.)

☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. (You need to install a working battery powered smoke detector in the living room and one in the dining room.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain copies of physician signed statements of health for yourself to be kept on file. These need to be renewed every two years.)

☐ 110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.) (You need to obtain current certification in the two hour mandatory child abuse training course.)

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. (You need to obtain current certification in CPR and First Aid.)

110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains: (You need to assemble a file for each of the children you watch. Each file needs to contain: Identifying information on the child, parent contact information, list of who can pick up the children, signed emergency medical treatment authorization form, current physician signed statement of health and current immunization records. Several children were missing files.)

☐ 110.5(8)a Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child and the parent's work address and telephone number.

☐ 110.5(8)b Emergency information including where the parent can be reached, the name, street address, city and telephone of the child's regular doctor, and the name number, telephone number, and relationship to the child of another adult available in case of emergency.

☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment.

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

☐ 110.5(8)d For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian.

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐ 110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical.

☐ 110.5(8)f A list signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

☐ 110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before** 12/10/13.

☒ Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after 12/10/13.

Please call me if you have any further questions.

Sincerely,

Earl Crow

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 1-800-722-7619.

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you need to use only DHS approved training and only 12 hours can be by self-study. You can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html and you can sign up for training at <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
